STEP 4

Made a searching and fearless moral inventory of ourselves.

TRADITION 4 (LONG FORM)

With respect to its own affairs, each A.A. group should be responsible to no other authority than its own conscience. But when its plans concern the welfare of neighboring groups also, those groups ought to be consulted. And no group, regional committee, or individual should ever take any action that might greatly affect A.A. as a whole without conferring with the trustees of the General Service Board. On such issues our common welfare is paramount.

CONCEPT 4 (SHORT FORM):

At all responsible levels, we ought to maintain a traditional "Right of participation," allowing a voting representation in reasonable proportion to the responsibility that each must discharge.

AA Trivia

STEP 4 - Made a searching and fearless moral inventory of ourselves.

What does it say in the Big Book page 66 that "it is plain that a life which includes deep resentment leads to futility and **what?**

Answer: unhappiness

TRADITION 4 – Each group should be autonomous except in matters affecting other groups or AA as a whole.

In tradition 4 a group planned a large alcoholic center that would treat, give money and house the alcoholic. It failed and the resulting rule 62 was born.

What is that rule?

Answer: Don't take yourself too damn seriously!

EXTRA: When & where was the first International Convention?
