STEP 8

"Made a list of all persons we had harmed and became willing to make amends to them all."

TRADITION 8 (LONG FORM) Alcoholics Anonymous should remain forever non-professional. We define professionalism as the occupation of counseling alcoholics for fees or hire. But we may employ alcoholics where they are going to perform those service for which we might otherwise have to engage non-alcoholics. Such special services may be well recompensed. But our usual AA Twelfth Step work is never to be paid for.

CONCEPT 8 (SHORT FORM): The trustees are the principal planners and administrators of over-all policy and finance. They have custodial oversight of the separately incorporated and constantly active services, exercising this through their ability to elect all the directors of these entities.
