STEP 10 Continued to take personal inventory and when we were wrong promptly admitted it10

TRADITION 10 (LONG FORM) No AA Group or member should ever, in such a way as to implicate AA, express any opinion on outside controversial issues – particularly those of politics, alcohol reform, or sectarian religion. The AA groups oppose no one. Concerning such matters they can express no view whatever.

CONCEPT 10 (SHORT FORM) Every service responsibility should be matched by an equal service authority, with the scope of such authority well defined.

AA Trivia

Tradition 10

AA does not take sides in any **PUBLIC** controversy.

The lesson to be learned from the **WASHINGTONIANS** was not overlooked by Alcoholics Anonymous.

As we survey the **WRECK** of the movement, early AA members resolved to keep our **SOCIETY** out of Public Controversy.

Concept 10

The **PRINCIPLE** of ultimate **AUTHORITY** runs clear through our structure.

Indeed ultimate authority should practically never be used in full except in an **EMERGENCY**.

Oct 20, 2023 – DCM Report for D31

FORUM

Thank you to the district for supporting me to the Forum. It was very educational in the service structure of GSO, AA Worldwide, Grapevine and La Vina. It was as if the service manual came alive.

- **NOTE: Regional and Area Forums provide opportunities for AA members to connect with people throughout the AA service structure. At forums members can exchange information with representative of the General Service Board, Grapevine and GSO.**
- Over the next couple of months I will be sharing information about our service structure and concepts using the regional Area Delegates talks heard during the workshops. The first one is **“using the concepts in the home group, district, and area and trusting your trusted servants”**. We got to meet the Class A and B trustees and talk with them throughout the Forum. At times I felt there was some tension between the fellowship and the Trustee but as the weekend went on the mood changed by listening and practicing the principles of AA. I was very and still am grateful to be a small part of an awesome program.

AREA ASSEMBLY

As D31 DCM I attended the October Area Assembly. A brief update from the assembly is given below.

- A motion to change the Policy and Procedure Manual to relieve the Area requirements for a quarterly two-day assembly was **passed**.
- A motion to end our 2024 hotel contract without penalties **passed**. This provides flexibility with planning dates and meeting locations for the future.
- Motion to suspend all regional pools for SWARRSA and the FORUM in the years 2024-2025, until we have a complete understanding of our budget. **This passed**. Decided to review with budget committee meeting in 2025 for the 2026-27 service years.

DCM Breakout Session Updates

The Area Delegate will attend D31 meeting on March 17, 2024 to discuss the agenda items pre-conference. (Delegates & Alternates receive items in mid-February. They will review all 164 items and narrow it down to 12 questions. Delegates will solicit feedback and discussion for the general service conference. (Earmark new or old agenda items) The information will be given to the district with the background for our review and discussion to take back to groups. We may not get the background information until or around February 23, 2024.

- **D31 GSR ACTION:** Please provide me with the dates/times your home groups hold group conscience so we can be sure you have the information to share and obtain feedback.
- **Suggestions to manage or lesson agenda items was presented. Examples are:**
Updates to the Illustrated 12 Traditions pamphlet have been in the works for five years going back and forth through the process of being updated. Do we need to review each revision every time or can the delegates use time more effectively to focus on the new agenda items and trust our delegates to handle minor revisions in a trusted manner.
- International conference 2025 in Vancouver Canada. Passports will be required to attend (CANADA). Make plans early. Check your passport.
- Grapevine seeks Native American stories for publication.
- The Trustees are going to open a discussion with the fellowship about evenly establishing policy to preserve our co-founders writings. They will be sending questions out to see how people feel about changes or not. Looking for a comfortable policy with unity to protect co-founders writings.
Examples: 1. Address changes in how we pass items, instead of 2/3 majority maybe higher. Take two years in the voting process at conference. The 12 steps, tradition, warranties are protected by the concepts.
2. Page 164 in the Service Manual Appendix U The path for an idea to become an agenda item

Respectfully Submitted,
